

**CSCE 330 Fall 2007**  
**QUIZ 6**  
Assigned Thursday, 07-09-13

1. Give a leftmost derivation of  $\{b=9;\}$  from the EBNF grammar of p.36 in your textbook. (This is the same question as in last Thursday's quiz.)
2. Draw a parse (syntax) tree for the sentence and grammar of the previous exercise.
