CSCE 330 Fall 2002

QUIZ 7

Assigned Friday, 02/9/13

Which of the following symbols are terminals? Which ones are nonterminals? Which ones are metalevel symbols of EBNF? (The symbols are separated by commas.)

<ident>, ::=, <expr>, if, <term>, then, |

Answer:

- terminals: if, then
- nonterminals: <ident>, <expr>, <term>
- EBNF metalevel symbols: ::=, |

Note that, in this exercise, the comma is neither a terminal, nor a nonterminal, nor an EBNF symbol.
